AUGUST 19, 1863

creditor. In this matter, England had not only the largest interest, but by far the most honorable and well-founded claim. Her just demands upon Maxico were more than double those of Spain and France unlied, and the Mexican Government had never defield or questioned their validity. Spain came mext, in the momber of dollars invested; is her old colony, and her claim seems to have had a foundation of justice which the Maxi. Government was ready to scknowledge. She also assected that injuries had been perpetrated on Spailsh the terror transport to scknowledge. She also assected that injuries had been perpetrated on Spailsh the terror transport to seems to have not heapsels of an the event proved, were not heapsels of an the event proved, were not heapsels of an the event proved, were not heapsels of the factors which injuries had been perpetrated on Spailsh to stigate with the provided of the control of the con

that chieftain was a fugitive and a vagabond in other parts of the world. Napoleon had also, the services of an insolent
knews and his at the Mexican capital (M.
de Saligny), who had long busied himself
in inventing horrible cutrages against
French subjects, and in addressing notes,
in his diplomatic character, to the Maxican
Government, denominating its President,
Caldnet and Congress a based of neuropers,
robbers and public peats. The Mexican
Minister of Foreign Affeirs retailisted by
inking no soldes whatever of M. Saligny's
intilinguats.

The immediate opension of the Couventhe humaplaced himself in a position where he

for. Yates, who has also been laboring be-casemity to obtain the transfer of sick and wanted fillicote abilizer to their own. State, has just received a reply to one of his inter-trom Br. Joseky B. Brown, Action Assistant flargeon General, U.S. A., to the effect that authority has been received from Washing-ton for the transfer of sudders in the hoogi-tals in St. Louis to the hospitals nearest that-leanes, when he has a platfor of the Assistant Sungeon General, or of the grouper assisted suthority, such incuster is necessary for their recovery.

ber.

A countifie has been appointed who are in correspondence with the leading political meet of the country, who are in he invited. Among others who are appointed to be presents are Generals fitting. Logae and McChensaid; Senators Dickloson, Doolittio, and Harlan, and Representative Coffex. The Vice Freedens, Governme Morton, Solomon, Andrew Se, &c.

It is dusigned that the meeting shall be an overwhelming expression of the loyalty of the

FROM CHARLESTON. CHARLESTON MUST FALL.

Alternous, Ang. 7.—The decrease has the failuring special:

Place four Accessed Decreases.

Place four Accessed Decreases.

I find myeelf, this afternous, located on the fig ship Augusta I manners, the guest of Admiral Dabligen. All here are confidence of encours, and he one seems to extertain the slightest doubt or the ambiect, and with such a feeling prevalent, failure is next to an impossibility.

possibility.

The grand ball will be opened in the course of the week, and it will be the most furious fight of the week, and it will be the most furious fight of the war. Moving buoys have been leasted from each of the Montiers, and the The change I chang - but we are putting up-batteries to comment them also.

There has been but 1996 to comment to

day, but ease of the Mean on will go in to sight to harrow the semy. There was con-aldership came adding all day and during the leght. To guns of the Naval hattery, which is the advance bettery, will be crecied to

both be reduced. It is evident the received receiving reinforcements, probably from Lock ARILY.

Fourthess Moving, Asignst 7.—The steamer Spanishing, from cition Telet, the 4th, has evident.

Site reports the slege of Charleston progressing favorably.

No important news otherwise received.

Barrimons, August 7.—Advices from Moriti Island say that all there are conditant of success. The grand ball will be opened in the course of a week. One of the most factous fields of the war is anticipated. Five hundred robs prisoners were taken on an island, next for the war is anticipated. Five hundred robs prisoners were taken on an island, next arrived, giving the preopir new spirits.

Boston, August 7.—The consequented of the Boston Herold, in a latite dated off Charleston, August 26, says the new bestsery received by Gen. Gilmore on Morris Island, is mounted by the largest guns ever cast at the North, When these bufferies are opened against sunten, there will be a dyeafful seathering of twicks, logs, arms, and bodies. One hour and half we allowed for the bombardment of that fort before II will be compilled to surrender.

PREFARATIONS TO ATTACK NORT FORTER.

An antillary officer, writes to the Boston freezilor, mader date of Morris Island, July 38th.

"Our force is working day and uight greating saw batteries and mounting 10 link moriting saw batteries and mounting 10 link moriting and batteries and paracials and and attack 2004 point of arguments.

"Our force is working day and ulight erecting new batteries and measuring 10 inch more tags and heavy guns. We have also 100 pound and three life-point Parrolis to scount; one 500-pound is already mousted, and yestering there whore were fired at Fart Sunster, just by get the reason. One shot his three-orner of the parapote and mode the building. Our picture are within 400 parts of Fart Sunster, just by farts to look out fire the rebel sharp-looked which are within 400 parts of Fart Sunster, but they have to look out fire the rebel sharp-looked are within 400 parts of Fart Sunster, but they have to look out fire the rebel sharp-looked. The within 100 parts of Fart Sunster, and the line of the fire and the report the guerillar who burned the light house on Sunita Island, on the assign above of Thems.
